EDUCATION PLAN

YEAR II ~ 2026-27

OUR SCHOOL

St. Gabriel Catholic Elementary School provides a faith-based, student-centered education for children from our Early Entry Program (EEP) through Grade Six. Rooted in Catholic teachings, we are a vibrant and inclusive community that nurtures the spiritual, academic, and emotional growth of every learner. Our mission is to foster a love of learning in all we do by engaging students in meaningful experiences that reflect their strengths, interests, and individual needs.

St. Gabriel School is home to 235 engaged, active, and curious learners. We celebrate diversity and promote inclusion through a wide range of supports. Our full-time Indigenous Liaison guides staff and students on our shared journey of Truth and Reconciliation. Our full-time school counselor provides both universal and individual supports to prioritize student wellness. Our Classroom Support Teacher enhances inclusive learning through specialized programming and differentiated instruction for students with exceptionalities. Our full-time literacy educational assistant further supports students through targeted push-in and pull-out instruction.

St. Gabriel School also benefits from a dedicated specialist in health and wellness, physical education, and music, ensuring all students receive high-quality, well-rounded programming. Through these supports and rich learning opportunities, we create an environment where every student can thrive.

At St. Gabriel, faith guides our actions, relationships, and learning. Our Guardians are encouraged to “Live Like a Saint,” bringing kindness, service, and compassion to the classroom, playground, and beyond. As Guardians of Faith and Messengers of God, we strive to follow in the footsteps of our patron, Saint Gabriel the Archangel, whose feast day we celebrate on September 29.

Founded in 1981 and officially opened in 1982 by Bishop Raymond Roy, St. Gabriel School continues to grow as a faith-filled, inclusive, and dynamic place of learning.

A MESSAGE FROM THE PRINCIPAL

At St. Gabriel Catholic Elementary School, our Three-Year Education Plan reflects an ongoing commitment to nurturing the spiritual, academic, and emotional development of every child. Rooted in Gospel teachings and Catholic values, and inspired by our faith theme, “Live Like a Saint,” we strive to create a vibrant school family where all students feel deeply supported, included, and empowered to grow into the individuals God has called them to be.

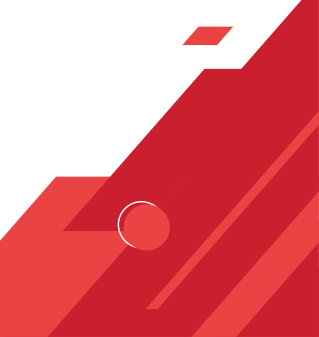

This year, we continue our purposeful work to strengthen literacy and numeracy achievement, support mental health and holistic well-being, and advance Truth and Reconciliation through meaningful action. We hold a deep belief that each child is unique, capable, and deserving of both high-quality instruction and compassionate care.

Our faith theme will guide our daily interactions, inspiring our students to be true messengers of hope, kindness, and service. It reminds us that a Catholic education is not only about academic success, but about fostering faithful servant leaders created in His image.

We are profoundly grateful for our dedicated staff, engaged families, exceptional students, and strong partnership with our parish—all of whom make St. Gabriel a beautifully unique, faith-filled community. Together, let us continue to grow in faith, pursue excellence, and lift one another up on this shared journey of learning.

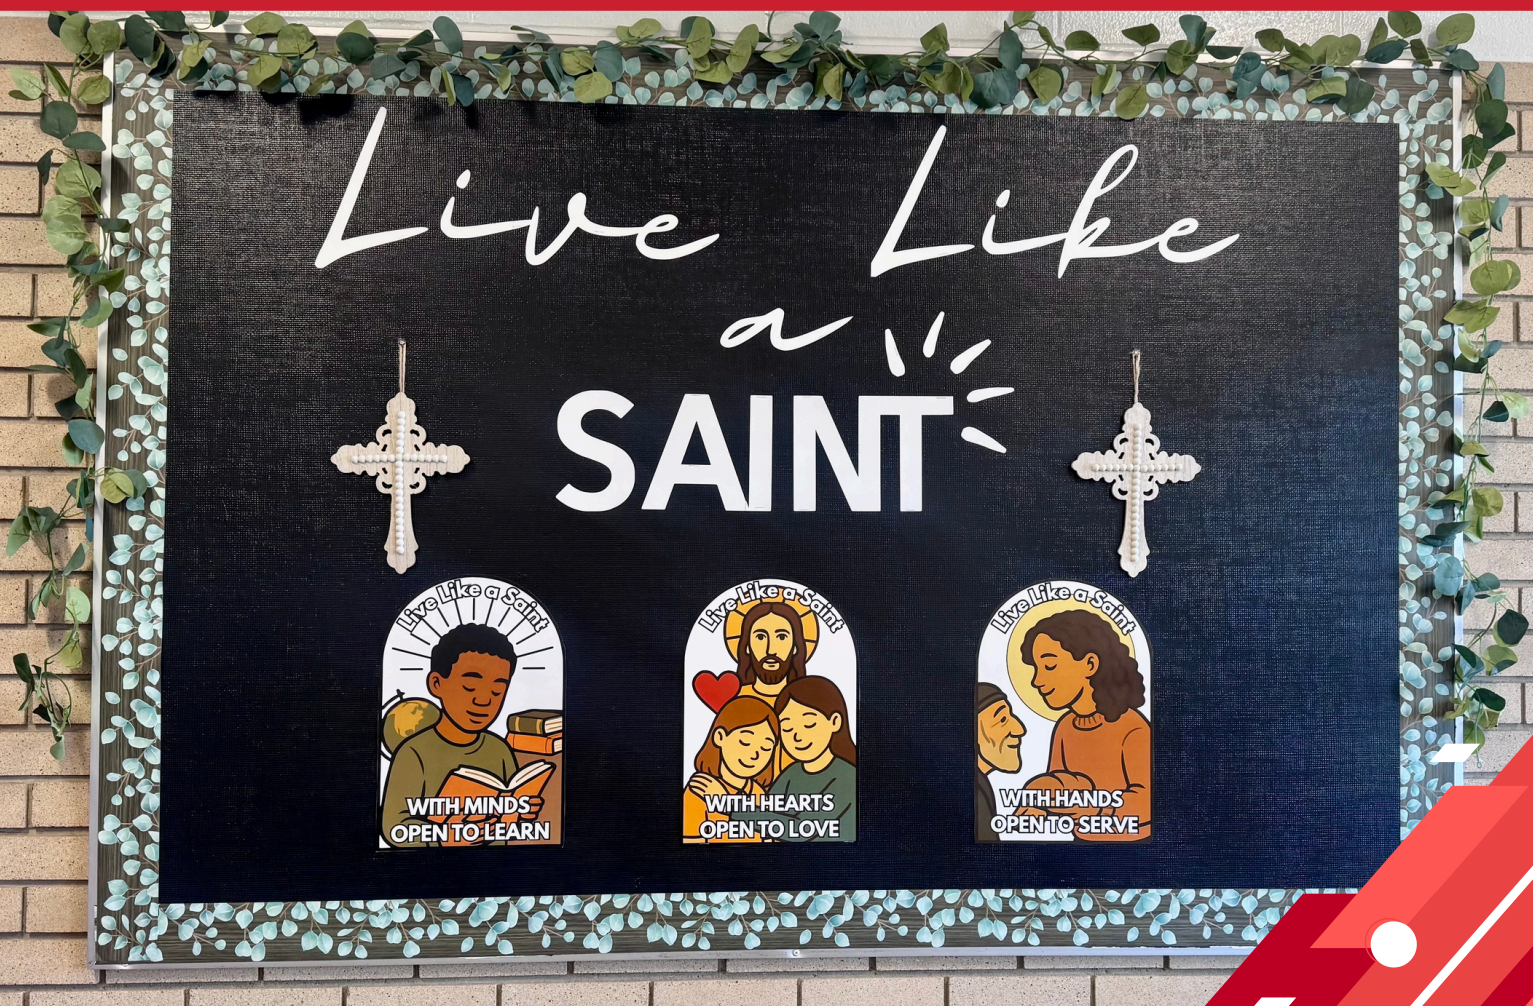

God Bless,

Mrs. Joanne Langevin
